# UI Global Internship Program

# Learn, Experience, Connect.

An integrated internship program where you can gain experience directly from the field, encounter with the experts, learning by doing, and have a chance to connect with friends from all over the world.

Program duration: 2 - 4 weeks

Credits earned: 2 credits

### Fields of Internship:

1. Health and Natural Sciences
2. Social and Political Sciences
3. Science and Technology

Based on the chosen field, we will refer it to the related faculty as the host faculty and to assign the internship supervisor.

### Program Overview:

1. Introductory Lecture
2. internship at the faculty facilities or the related company based on faculty recommendation and advice.
3. Wrap up session including:
  - a. Individual or group presentation
  - b. Paper assignment
4. Closing Lecture
