# UI GLOBES

## Global Outbound Mobility Scholarship for Students

**UI GLOBES (Global Outbound Mobility Scholarship for Students)** is a **merit-based and need-based financial aid program** provided by UI for UI students based on their achievements to support activities in academic and research fields abroad.

# General Information

---

The program offers financial aid to students who have been accepted into various international programs, including:

- 1. Exchange Programs:** Opportunities to study overseas at partner universities for a semester or more (tuition fee-waived), allowing students to immerse themselves in different academic environments and cultures.
- 2. Fee-Paying Study Abroad Programs:** For students enrolling in academic programs at international institutions for a semester or more other than exchange scheme.
- 3. Internships or research:** Professional placements abroad that provide hands-on experience and exposure to global work environments, including research activities
- 4. Short Courses or Summer/Winter Programs with credit:** Intensive academic or skill-based programs conducted for a short period, offering students a chance to gain specialized knowledge.
5. International Competition and conferences are **not eligible** for this scholarship.

# Key Features

---

The motivational statements should present the student conditions to meet the merit-based selection and need-based criteria.

- 1. Merit-Based Criteria:** To qualify for this scholarship, students must demonstrate outstanding academic achievements, exhibit strong leadership potential, and possess the ability to represent Universitas Indonesia (UI) on an international stage. This financial aid seeks individuals who not only excel in their studies, but also contribute positively to their communities and embody the values of UI.
- 2. Need-Based Criteria:** Financial Aids consider the financial needs of the students. It is designed to support those who require financial assistance to pursue their educational goals. The funds can be used to cover various expenses, including tuition fees, travel costs, accommodation, and other related costs, depending on the specific program and destination. We aim to ensure that financial barriers do not hinder talented students from achieving their full potential.

## Eligibility
