FOR INTERNATIONAL APPLICANTS

UI INTERNATIONAL UNDERGRADUATE PROGRAMS (KKI)

As one of the most prestigious academic institutions in Asia, Universitas Indonesia (UI) provides outstanding quality in educational programs, exceptional teaching and research programs, and valuable international experiences.

The International Undergraduate Programs (KKI) at UI are conducted in collaboration with reputable universities abroad and use English or other foreign languages as the medium of instruction. These programs are open to graduates from high schools or equivalent institutions from the year 2022 onwards.

• DEGREE SCHEMES

DOUBLE DEGREE/JOINT DEGREE

Students are required to complete their studies at UI and partner university abroad. Upon successful completion, students will be awarded two degrees: one from Universitas Indonesia and one from the partner university.

SINGLE DEGREE

Students will receive a degree and diploma solely from UI. In this scheme, students generally complete a minimum of one semester of study abroad at a partner university. However, please note that for international students, this one-semester study abroad is optional and not a mandatory requirement.

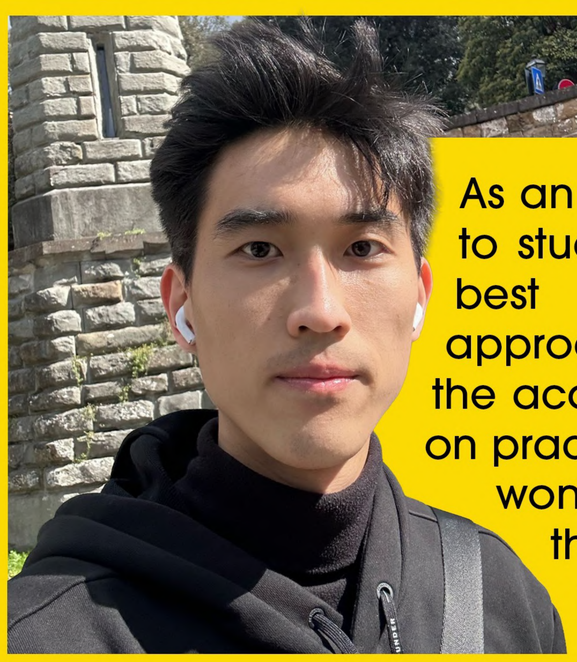
Testimonials from KKI Students



Daniel Kim
South Korea

As an international student from South Korea, choosing to study at Universitas Indonesia has been one of the best decisions I've made. The professors are approachable, the staff is friendly and supportive, and the academic experience is enriched by a strong focus on practical applications. Beyond academics, I've made wonderful friendships and broadened my perspective through meaningful cultural experiences with people from diverse nationalities.

Memory Kululanga
Zimbabwe

I arrived mid-semester in October 2024, and while it was challenging, the support from the administration and lecturers helped me thrive. UI's environment fosters learning and growth, inspiring me to strive for excellence and make a positive impact. I'm grateful for the strong support system, from the international office and academics to accommodation and fellow students, and proud to be part of this community.

Marcella Lasmana
Indonesia

Receiving my acceptance letter from UI marked the start of a transformative journey that proved hard work makes the impossible achievable. Wearing the iconic Yellow Jacket, I grew through rigorous academics, inspiring professors, and active involvement in a vibrant student community. The green campus fostered reflection, while organizational experiences shaped my leadership and purpose, preparing me not only to become a dentist but also a positive changemaker.
